

STATEMENT OF FACT

IMPORTANT - PLEASE READ CAREFULLY

The information you have provided to us has been used to calculate the premium, terms and conditions of the quotation and will form the basis of the insurance contract between You (the Insured) and your Insurer. It is therefore important that you read this document and tell us immediately if any details are, or have been, omitted.

All material facts must be disclosed. A material fact is one which is likely to influence us in the acceptance and assessment of the risk, e.g. intended use of the drone(s), any offence such as fraud, robbery, theft or handling stolen goods or prosecutions pending. If you are in any doubt as to whether a fact is material then it should be disclosed. Failure to do so may mean that your insurance policy is not valid or that your Insurer is not liable to pay your claim(s).

Disclosures should be clear and specific. We will not be deemed to have knowledge of any information generally referred to (for example the contents of company websites listed in the information provided to us) or any matter not expressly drawn to our attention.

This Statement of Fact together with the Insurance Quotation and Policy Documents forms your contract of insurance and you confirm that you have read and understood the terms of the contract.

If any changes in circumstances arise during the Period of Insurance cover please provide full details to Coverdrone. If you require a further copy of this Statement of Fact please contact Coverdrone and a copy will be sent to you.
